Refreshments

The Turboman

Inspired by the film "Jingle All the Way," we combine our house tequila, Limoncello liqueur, cranberry juice, strawberry syrup and a splash of Red Bull with a gold sugar rim

"It's turbo time!" - 10

Yippee Ki-Yay Melon Farmer

"Die Hard" is one of the best Christmas movies ever, and we think John McClane would have enjoyed this before Hans Gruber ruined the party. This cocktail has our house bourbon, Watermelon Schnapps, mango syrup, Sprite and an "ice grenade" for an explosively delicious drink! - 9

Bumble's Bounce

"Rudolph the Red-Nosed Reindeer" is a holiday classic and Yukon Cornelius' nickname for the abominable snow monster gave us our inspiration for a spin on an eggnog martini. We shake Captain Morgan, Rumchata, vanilla syrup and milk over ice and then serve it up with a blue cocktail glitter topping. - 10

Seasick Crocodile Punch (Non-alcoholic)

"You have all the tender sweetness of a seasick crocodile, Mr. Grinch..." The movie and the song helped us to create this drink. This concoction has cream soda mixed with ginger ale, lemonade and topped with whipped cream. And yes, the drink is green! - Includes one free refill - 5
